**The remainder of this paragraph will be effective only if the applicable box in § 1. is checked.**

For each claim listed below, the debtor(s) request that the court determine the value of the creditor's interest in any property securing the claim based on the amount stated in the column headed Value securing claim. If this amount exceeds any allowed claim amount, the claim will be paid in full with interest at the rate stated below. If the amount is less than the allowed claim amount, the claim will be paid the full value securing the claim, with interest at the rate stated below.

The portion of any allowed claim that exceeds the value securing the claim will be treated as an unsecured claim under § 5.1. If the value securing a creditor's claim is listed below as zero or no value, the creditor's allowed claim will be treated entirely as an unsecured claim under § 5.1. The avoidance of any lien because it is not secured by any value must be addressed in Part 9. The amount of a creditor's total claim stated on a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount stated below.

The holder of any claim listed below as secured by any value will retain the lien until the earlier of:

(a) payment of the underlying debt determined under nonbankruptcy law, or  
 (b) discharge under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

If relief from the automatic stay is ordered as to any collateral listed below, all payments under this section to creditors secured by that collateral will cease.
